

bivariate correlations between flanker behavior and factor scores based on a factor_9 solution

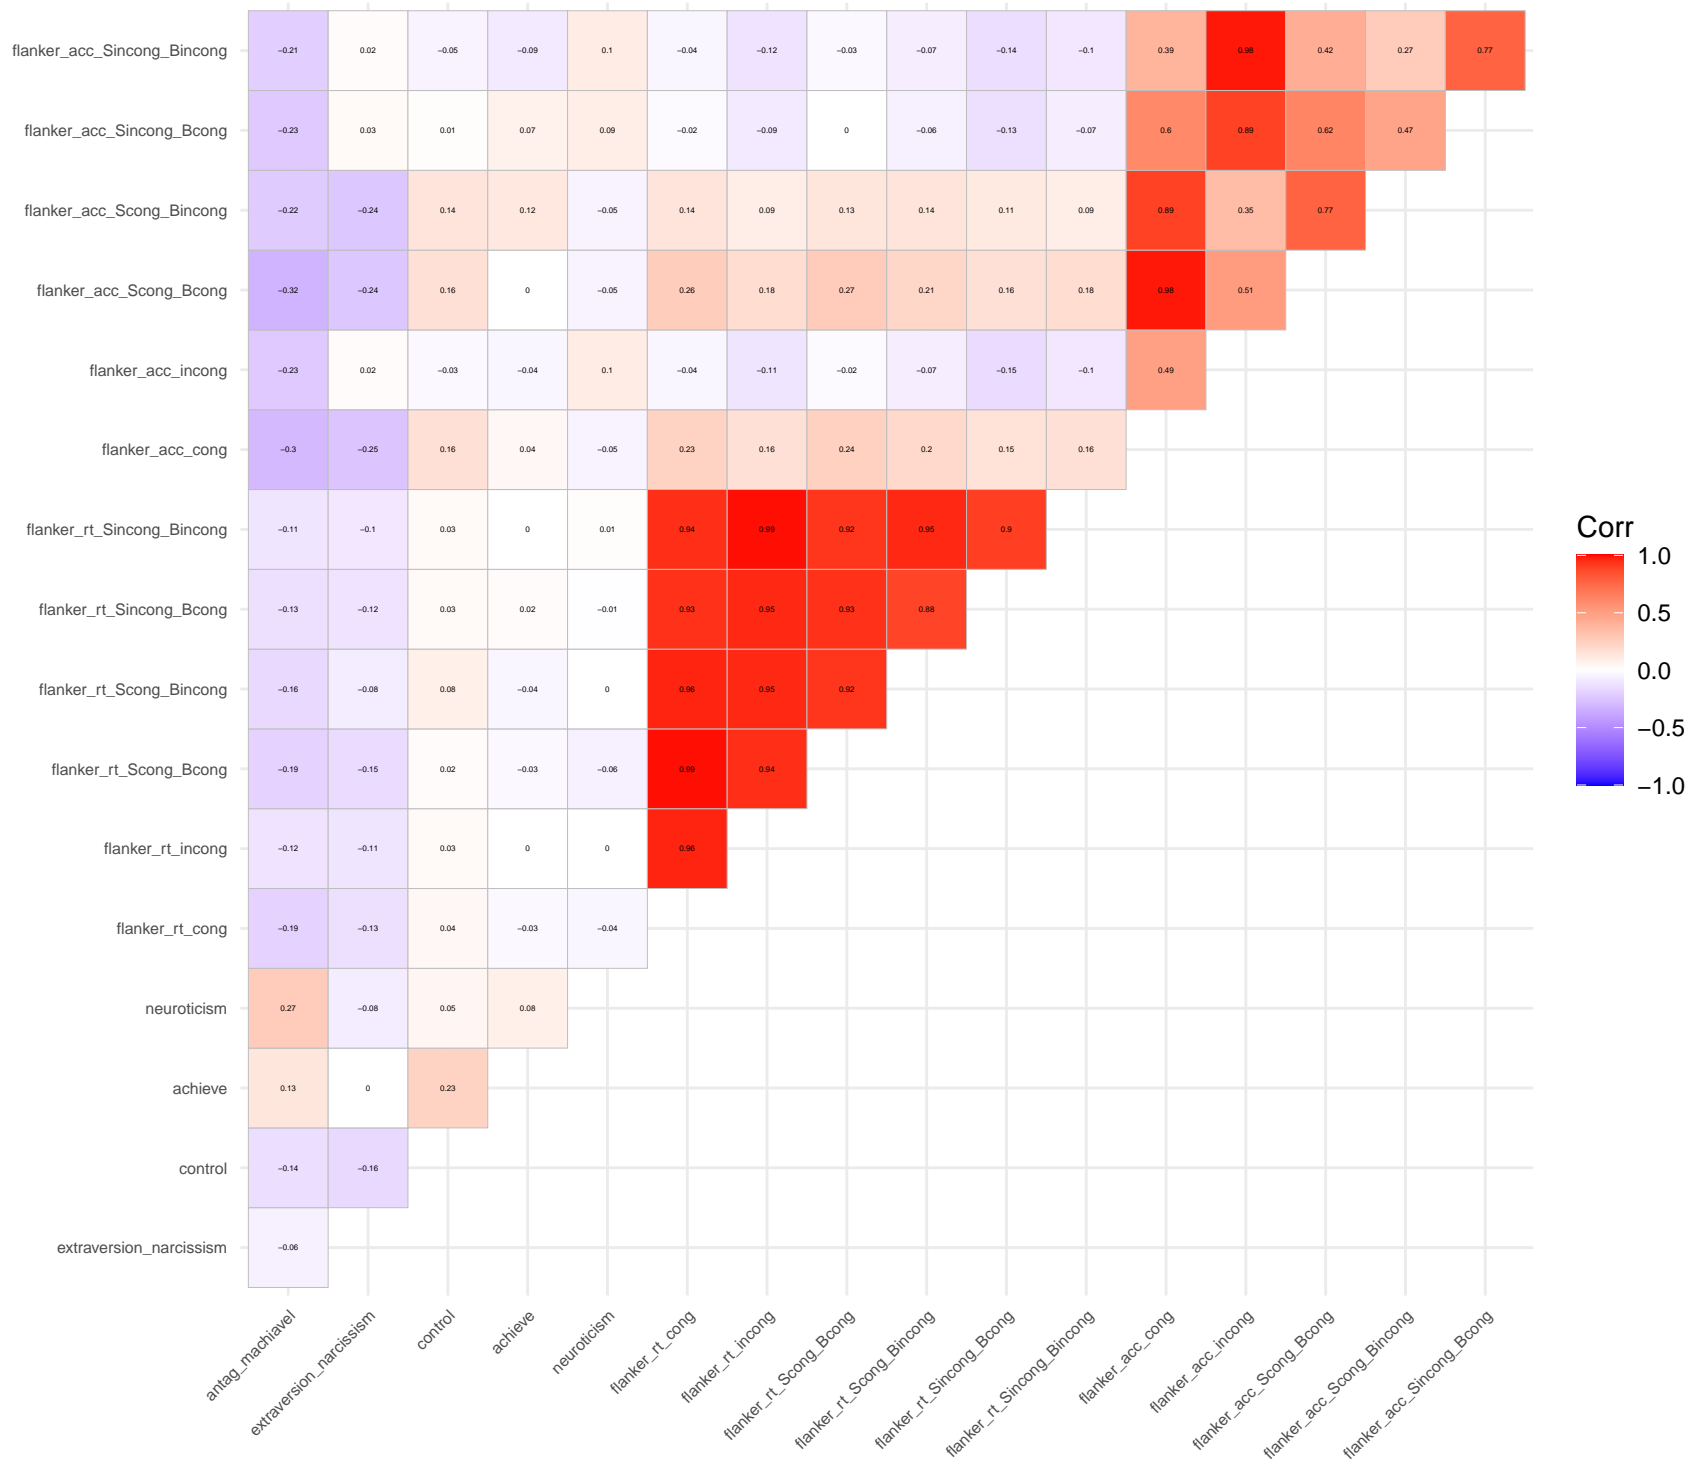

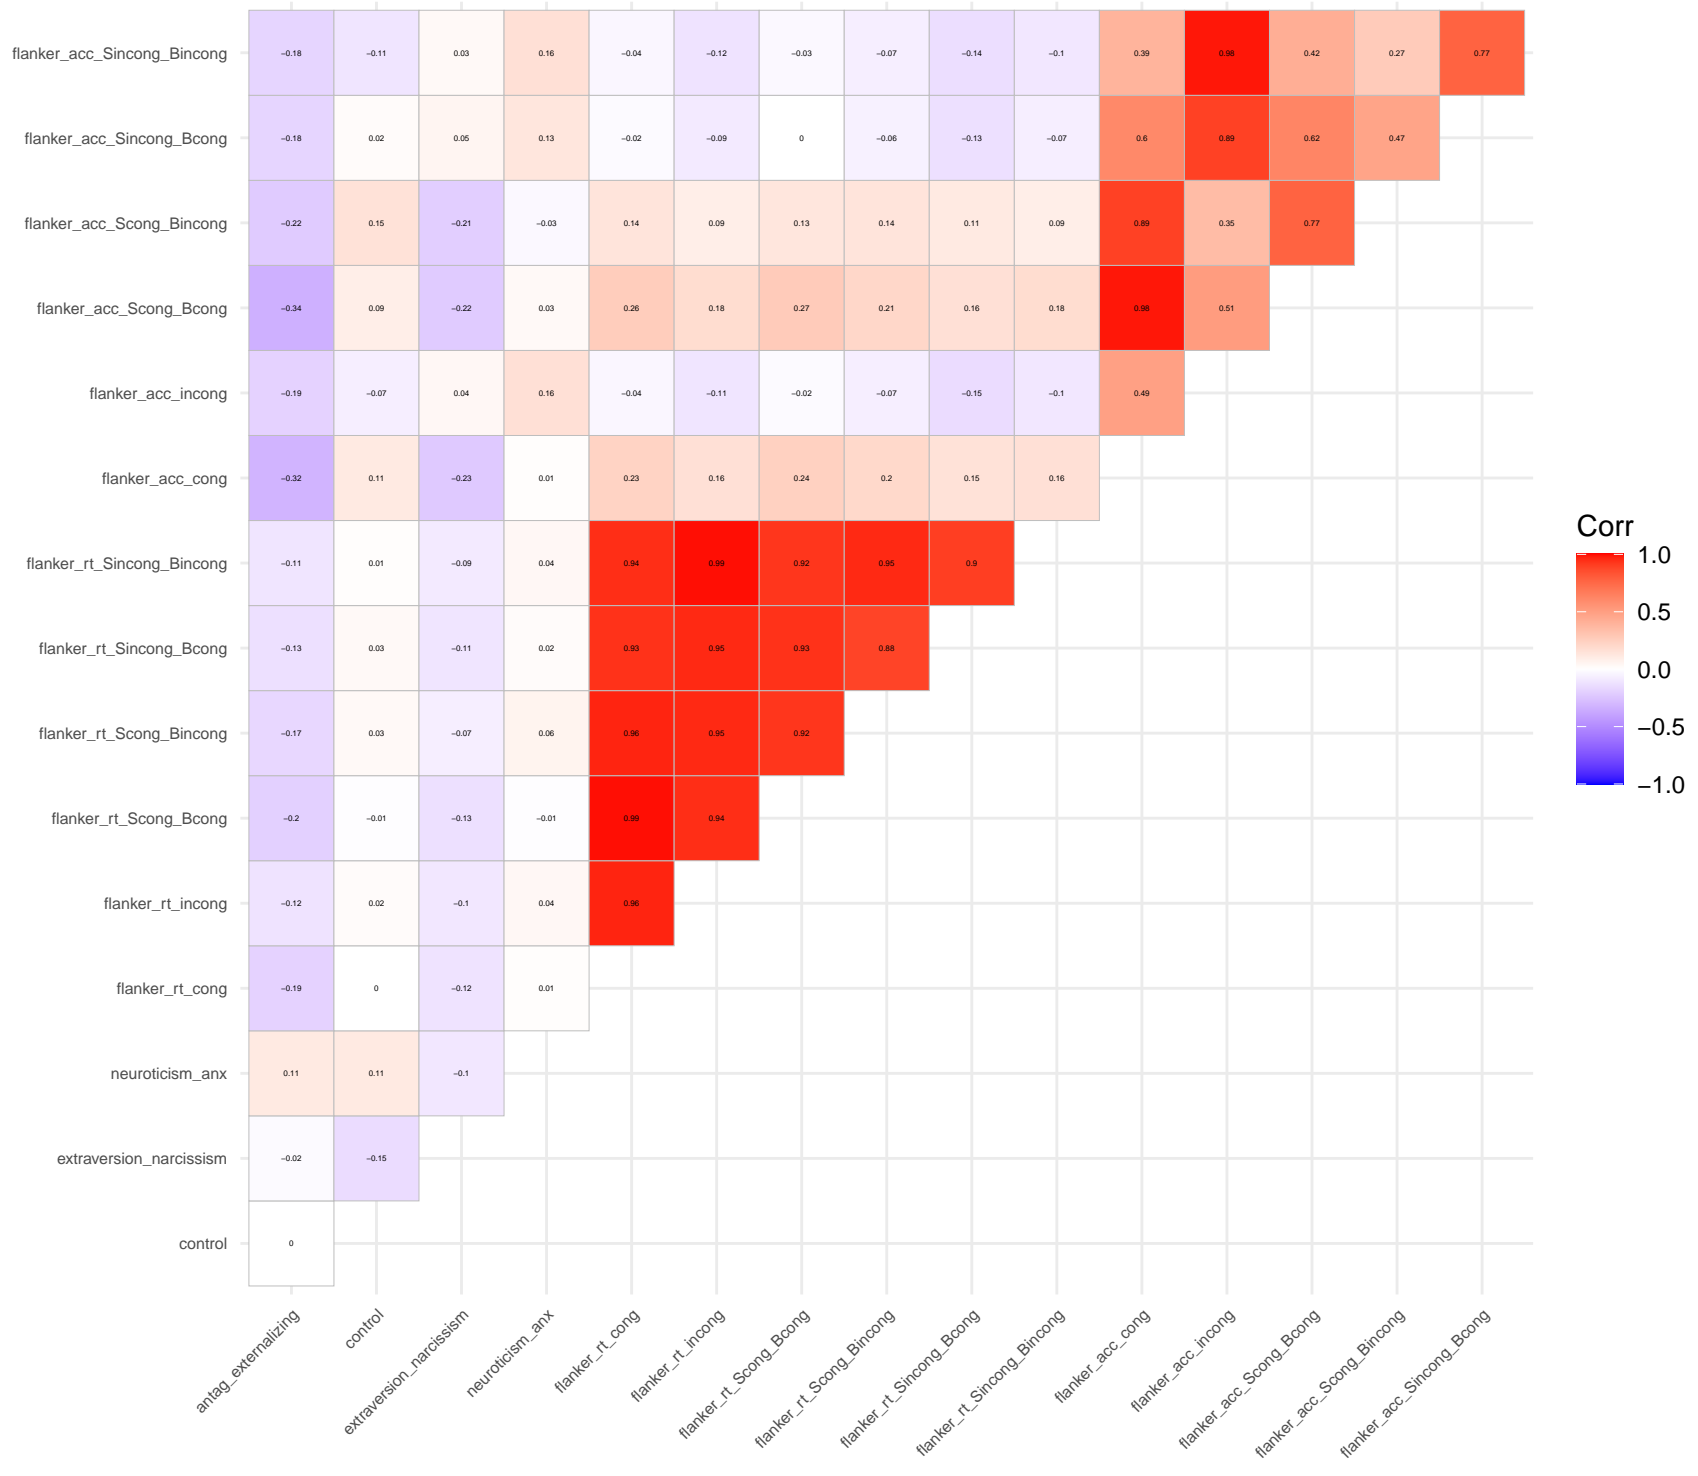

bivariate correlations between flanker behavior and factor scores based on a factor_7 solution

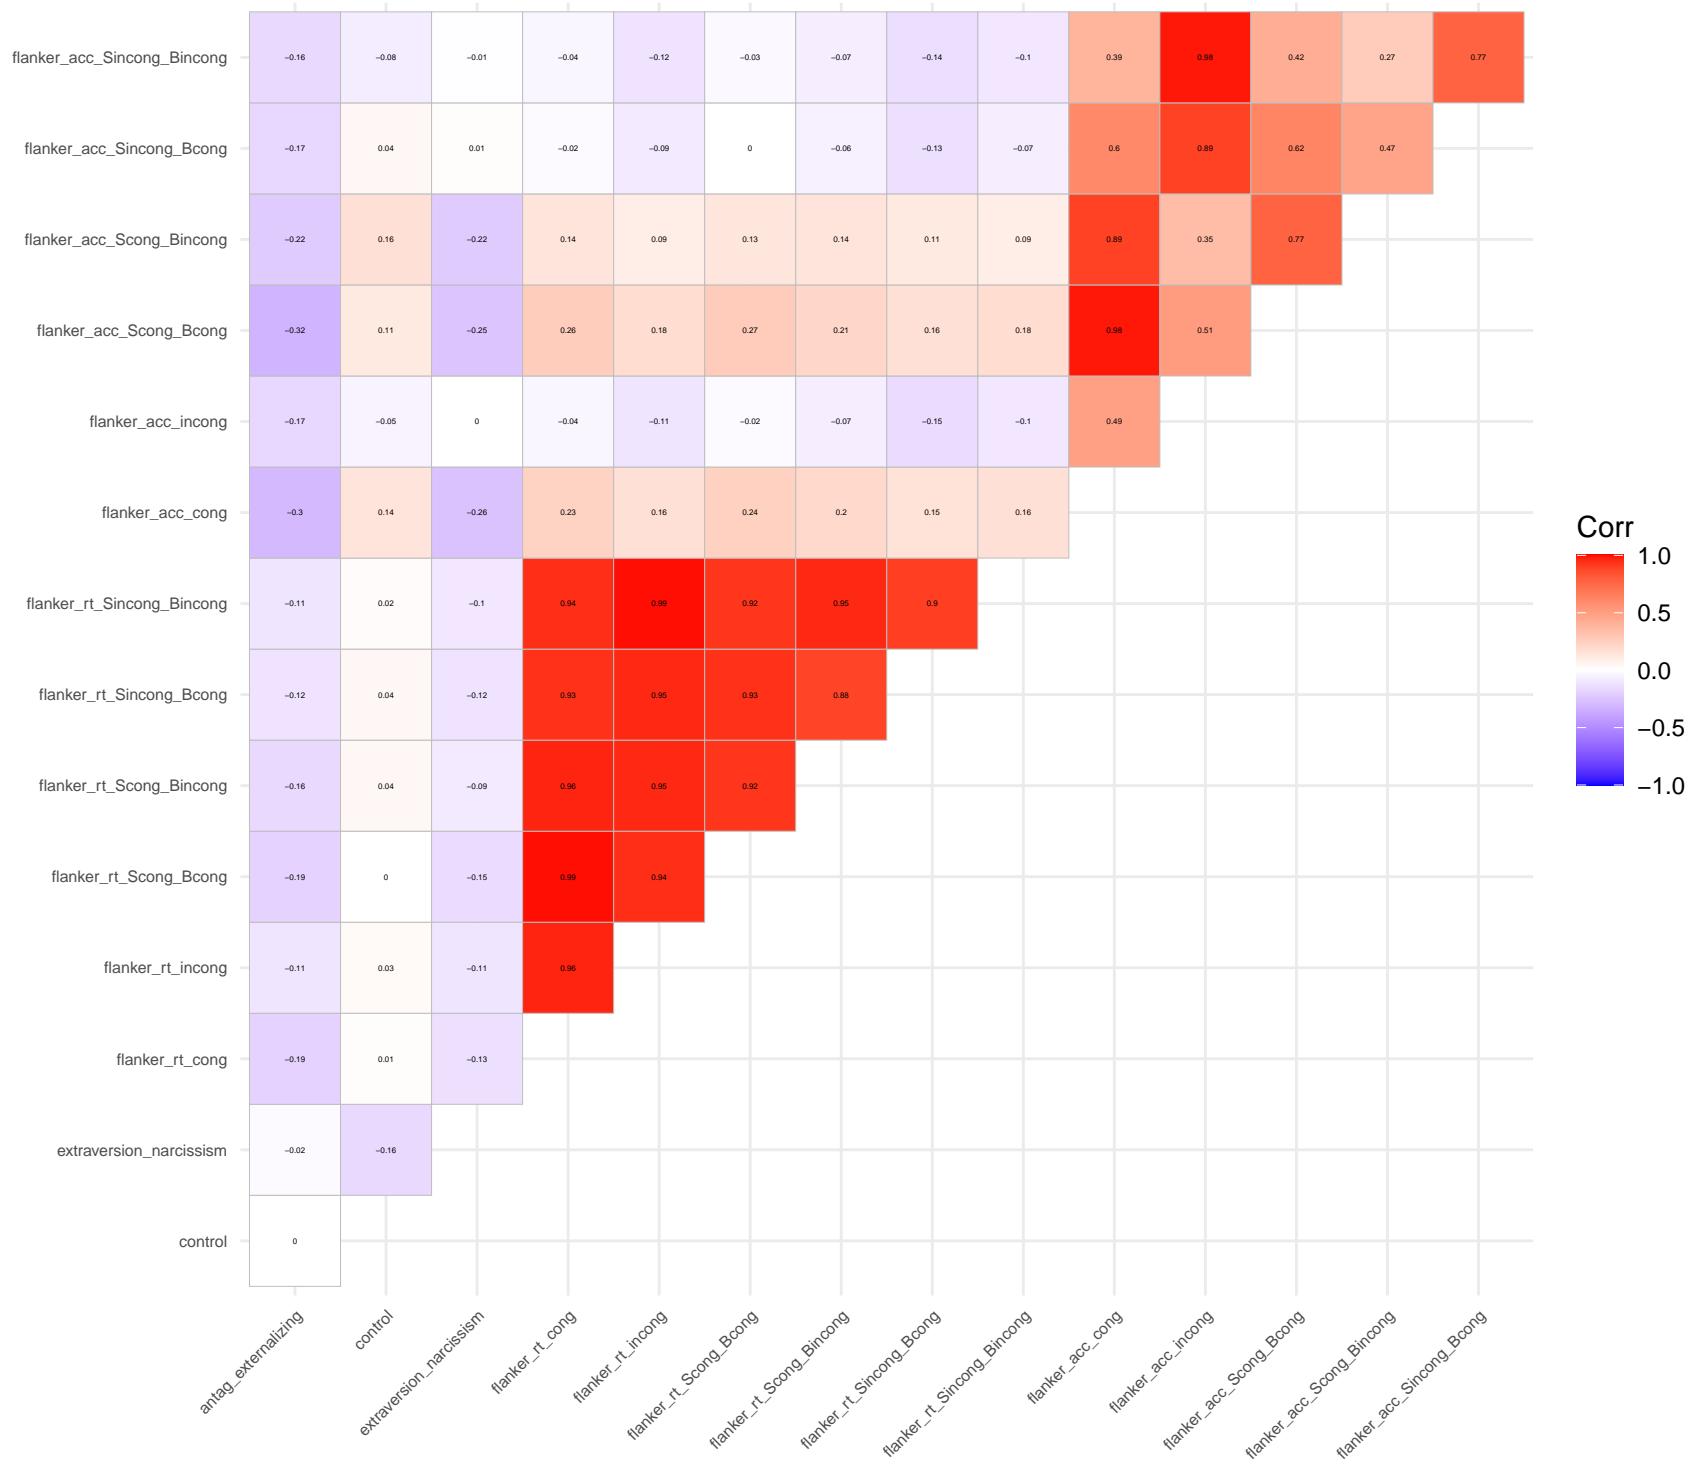

bivariate correlations between flanker behavior and factor scores based on a factor_5 solution

bivariate correlations between flanker behavior and factor scores based on a factor_4 solution

bivariate correlations between flanker behavior and factor scores based on a factor_3 solution

bivariate correlations between flanker behavior and factor scores based on a factor_2 solution
