# bivariate correlations between all behavior and broad personality domains

bivariate correlations between all behavior and personality traits
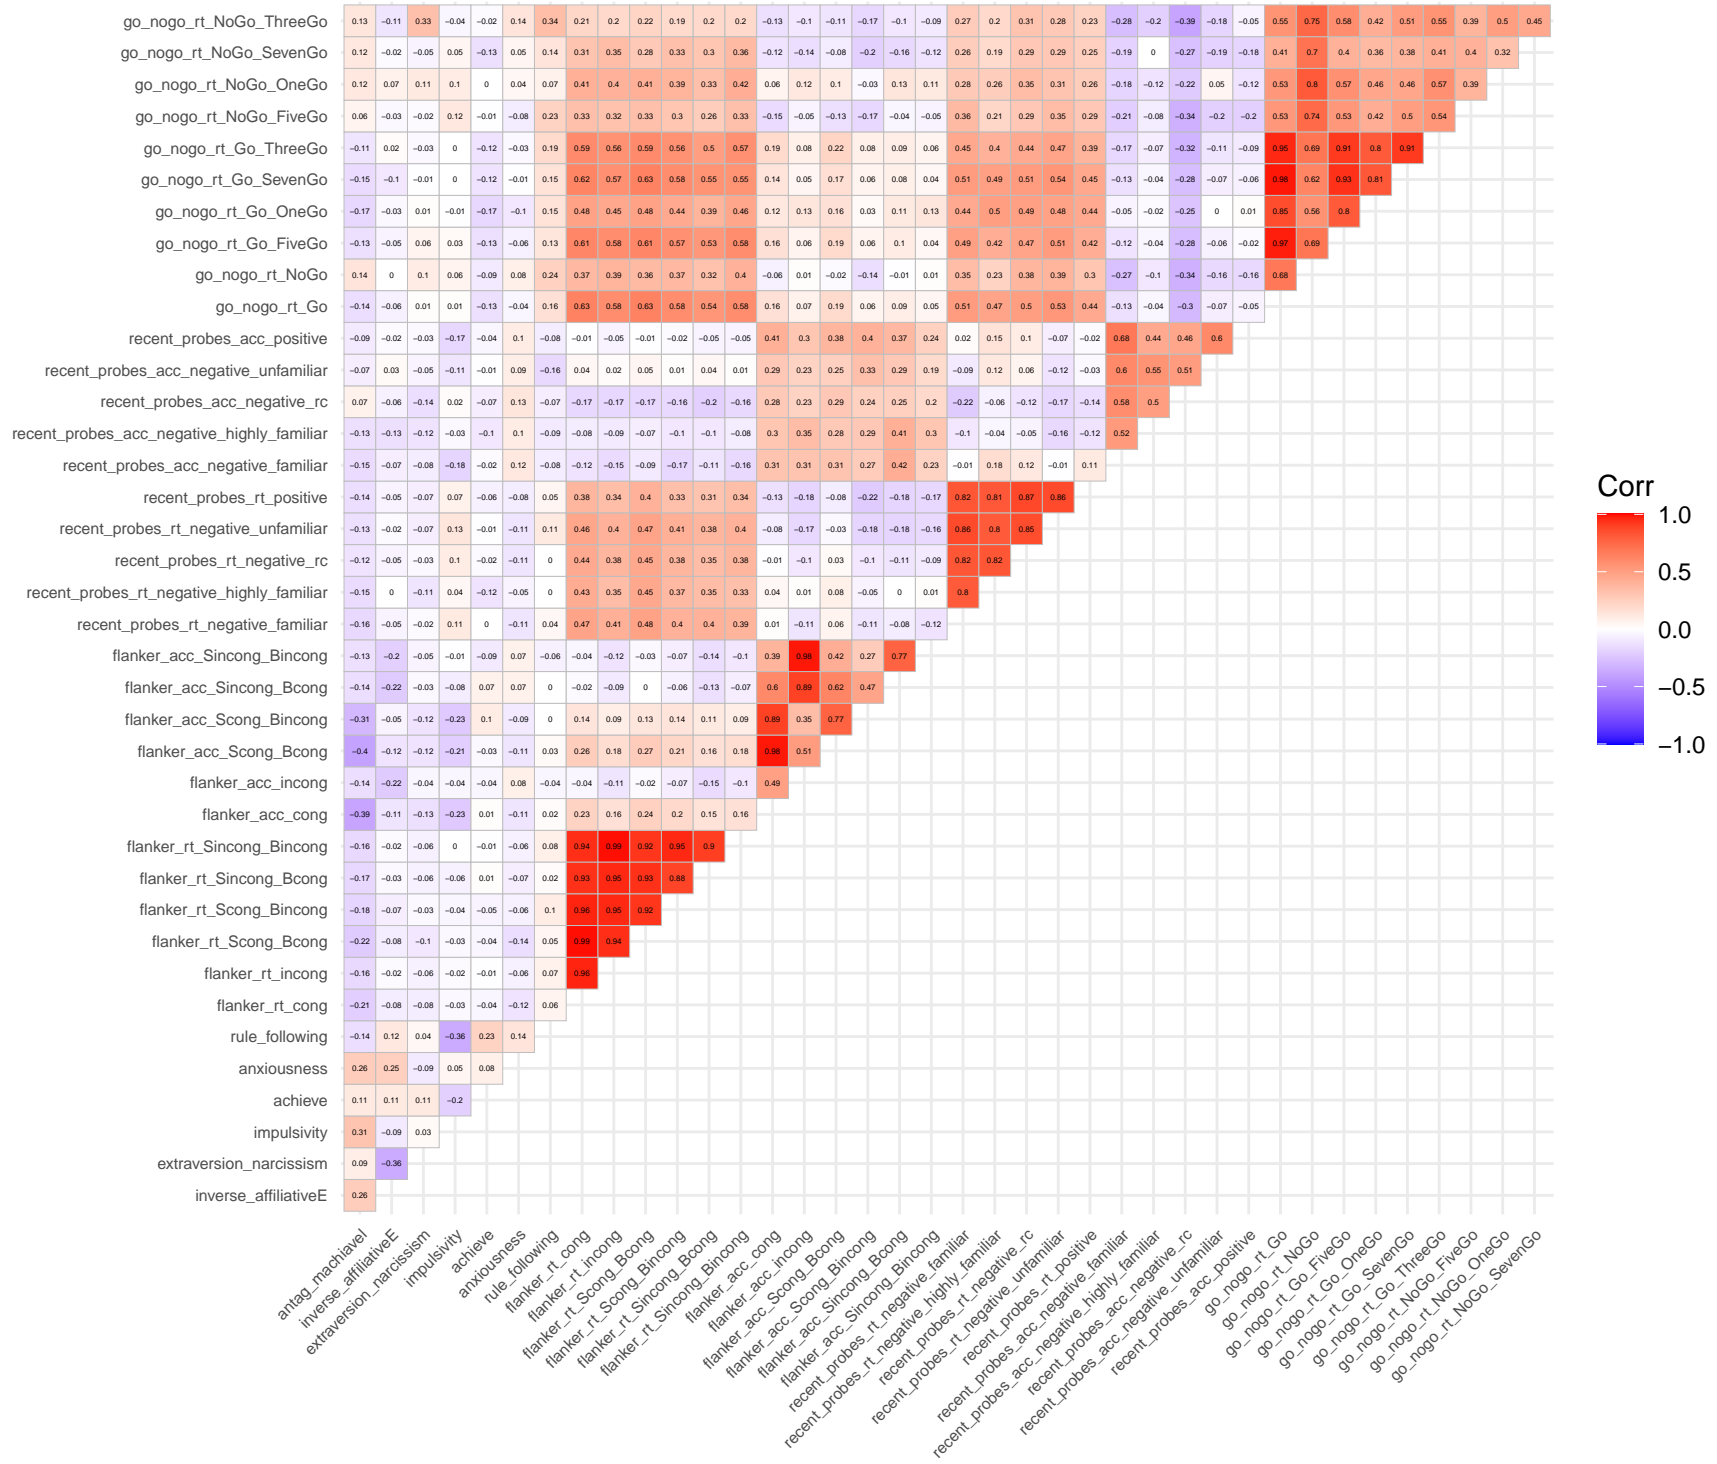

bivariate correlations between all behavior and factor scores based on a factor_9 solution

![bivariate correlations between all behavior and factor scores based on a factor_8 solution](image)

bivariate correlations between all behavior and factor scores based on a factor_8 solution
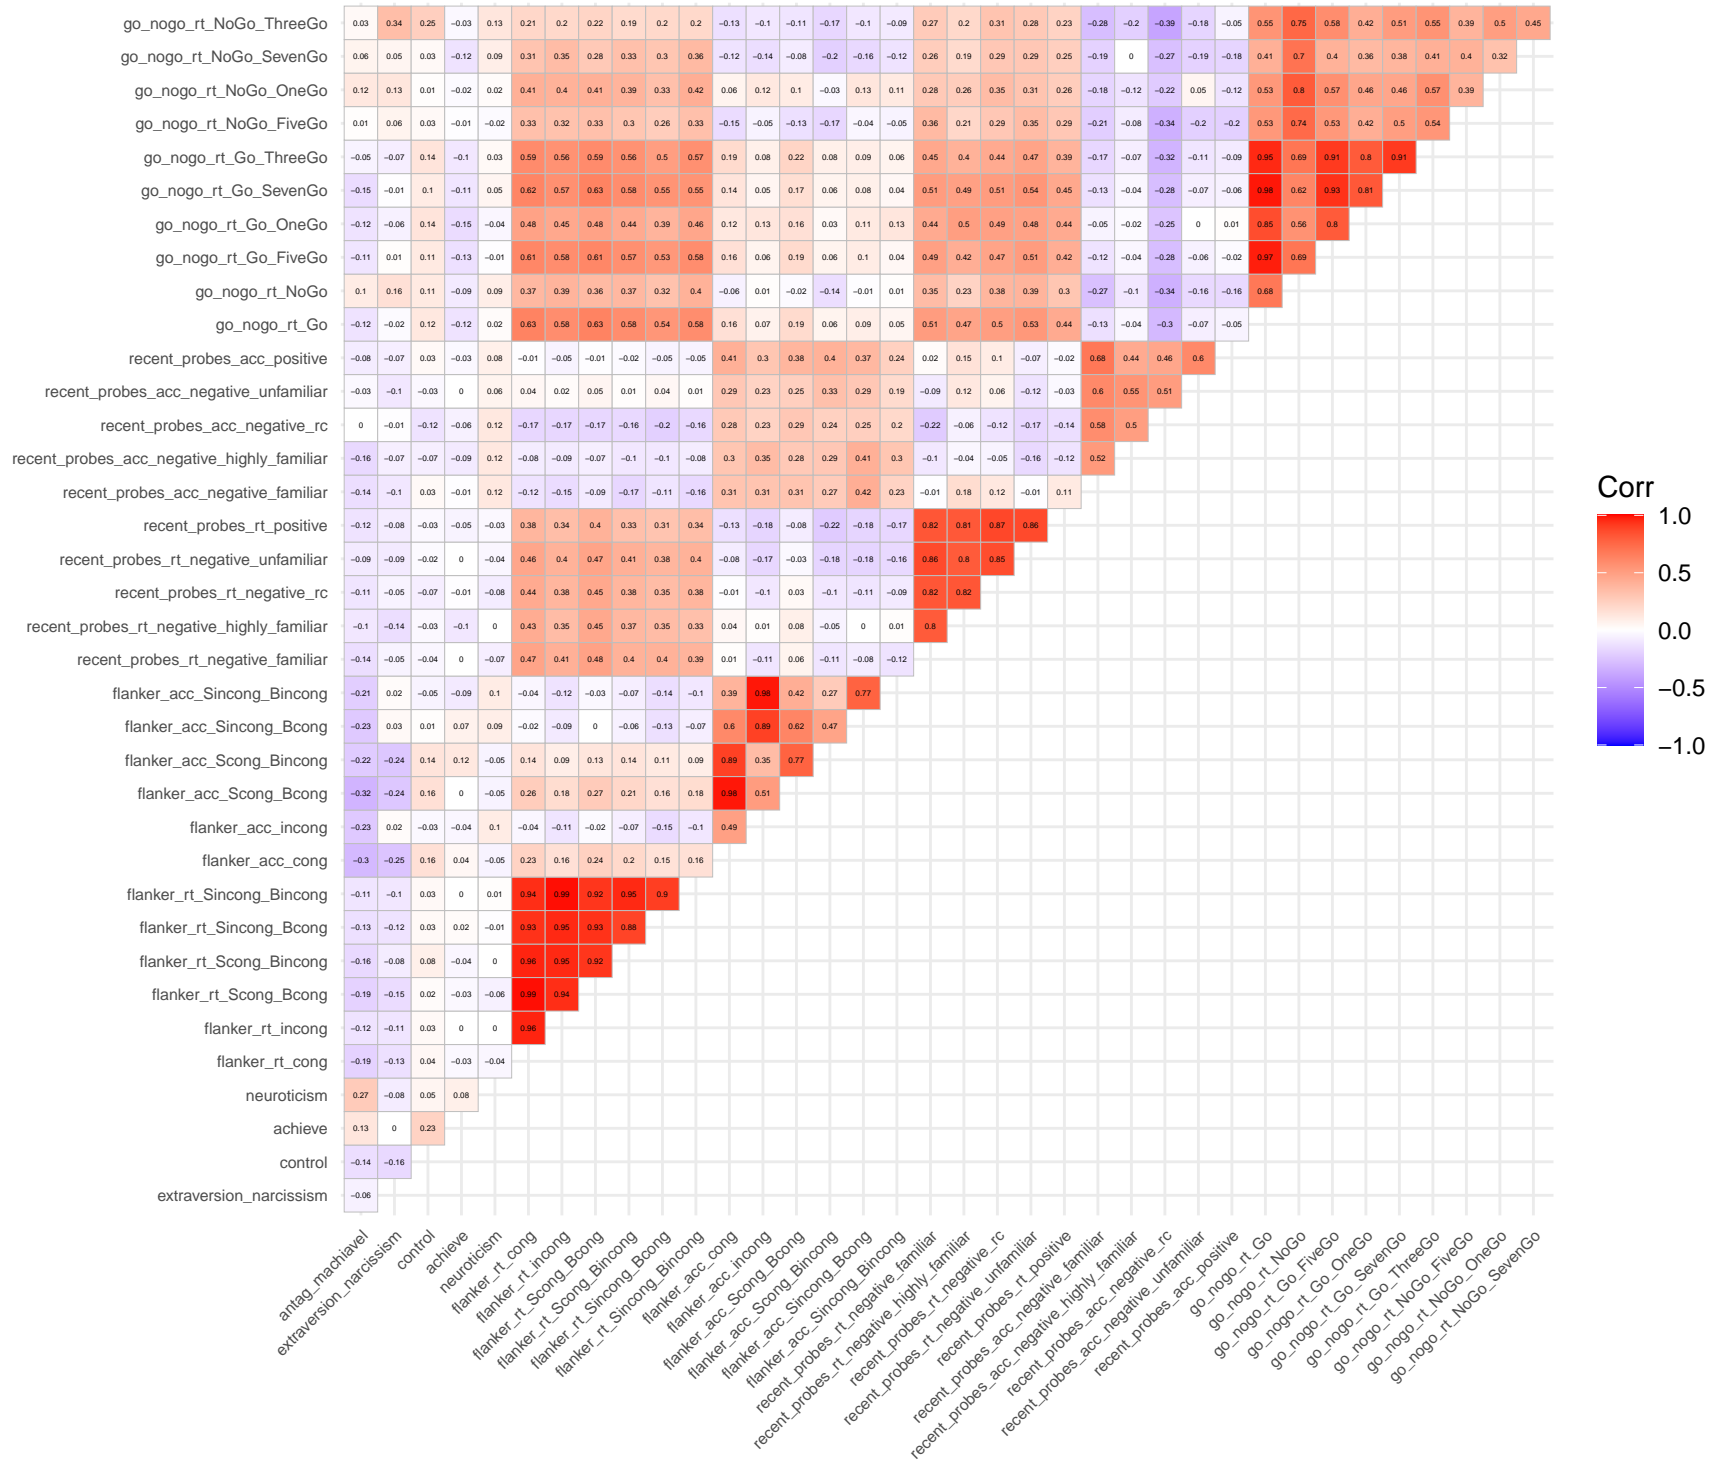

bivariate correlations between all behavior and factor scores based on a factor_7 solution
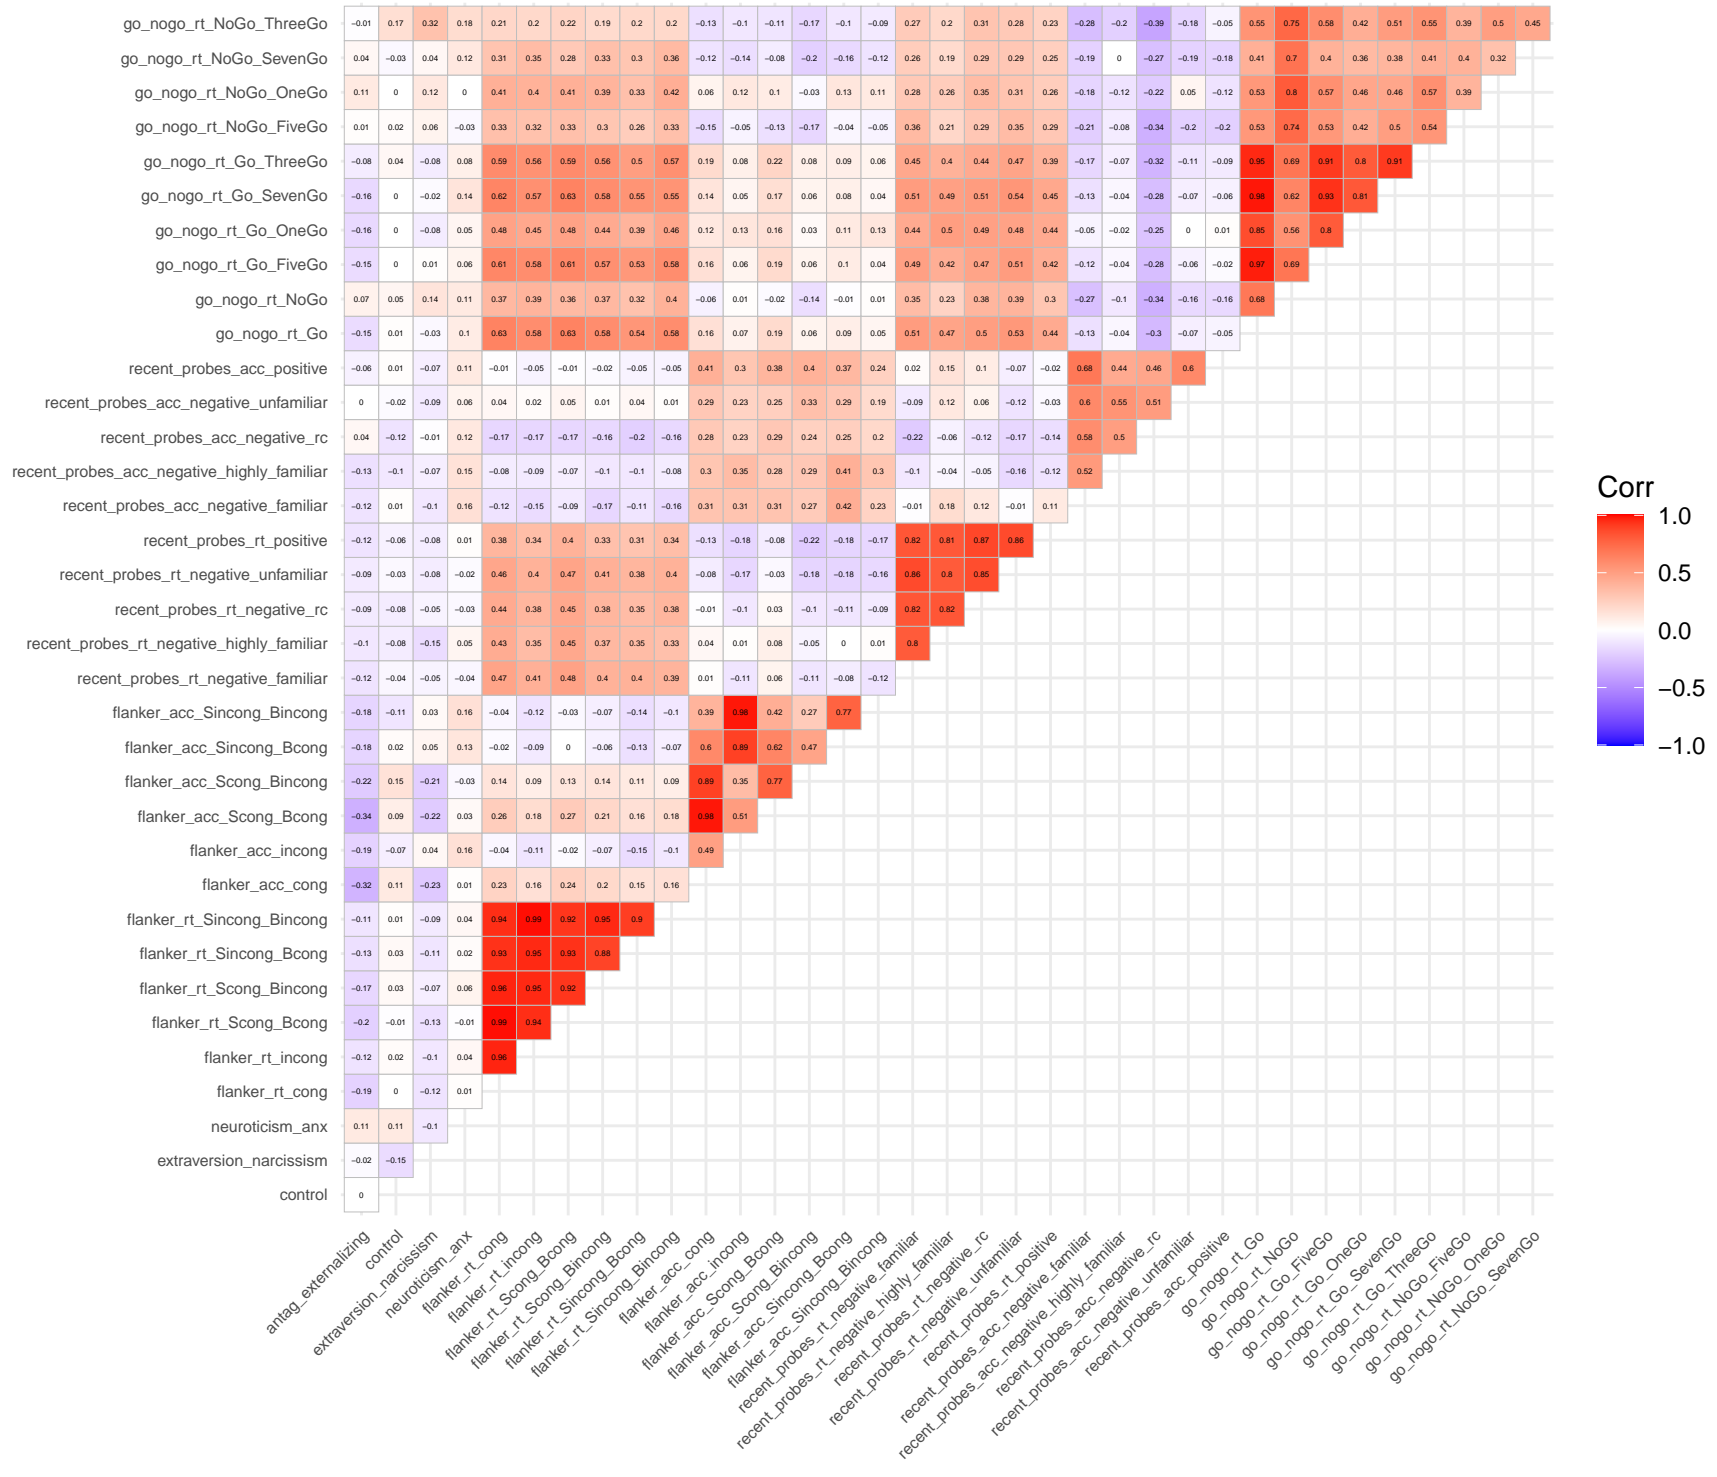

bivariate correlations between all behavior and factor scores based on a factor_6 solution

bivariate correlations between all behavior and factor scores based on a factor_5 solution

bivariate correlations between all behavior and factor scores based on a factor_4 solution
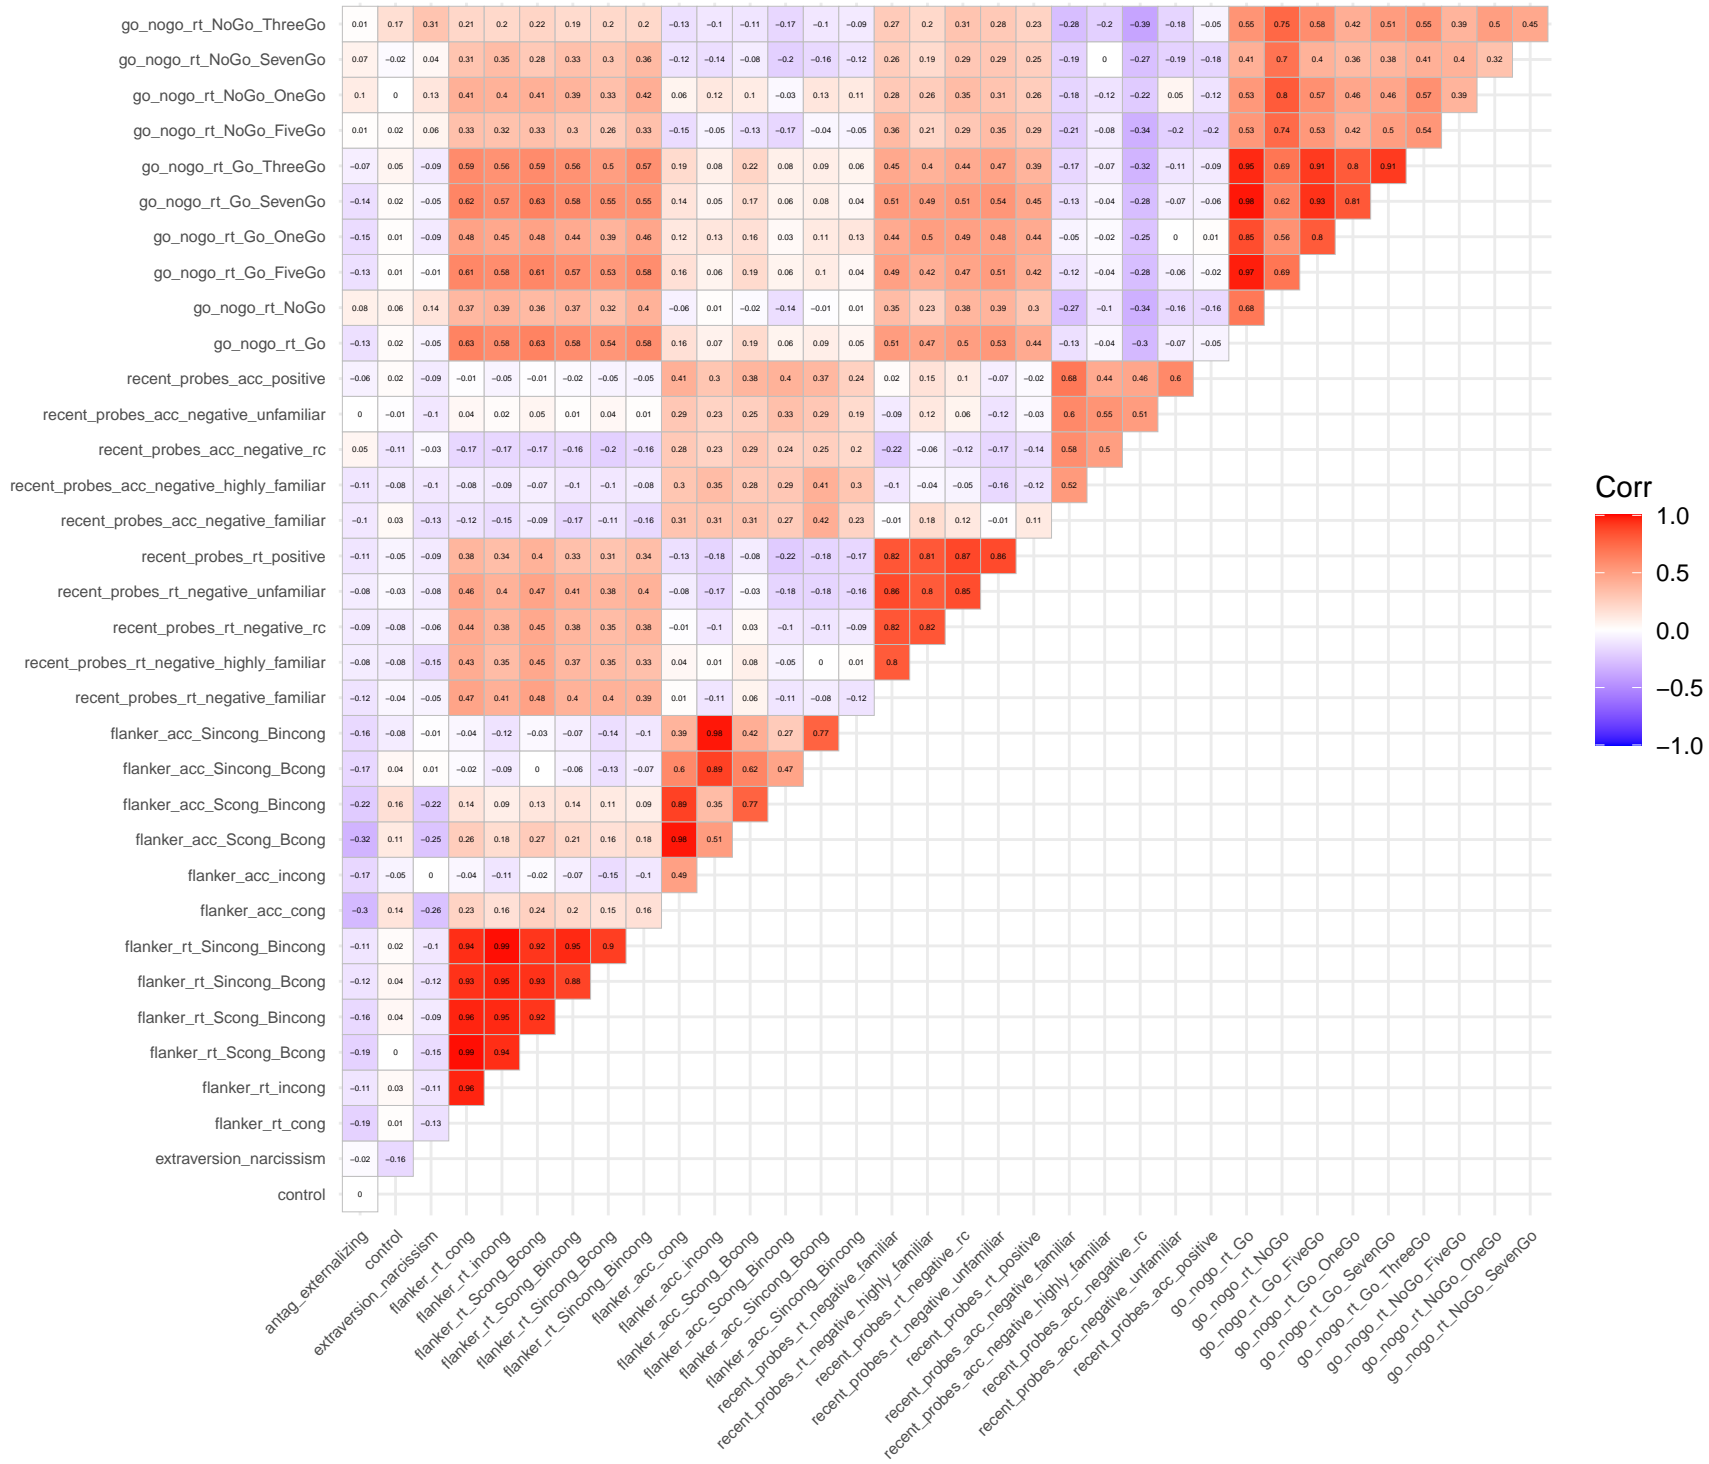

bivariate correlations between all behavior and factor scores based on a factor_3 solution

bivariate correlations between all behavior and factor scores based on a factor_2 solution
